

# Postal Study Package

**RPSC  
AE  
2024**

**CIVIL  
ENGINEERING**

| S.No | Book Title  | Book Includes                    |
|------|---|----------------------------------|
| 1    | Theory of Structures & Structural Analysis (Structural Mechanics) | Theory Book with Solved Examples |
| 2    | Engineering Hydrology   | Theory Book with Solved Examples |
| 3    | Irrigation Engineering  | Theory Book with Solved Examples |
| 4    | RCC Design  | Theory Book with Solved Examples |
| 5    | Soil and Foundation Engineering                                   | Theory Book with Solved Examples |
| 6    | Surveying   | Theory Book with Solved Examples |
| 7    | Transport & Traffic Engineering (Highway & Bridges)               | Theory Book with Solved Examples |
| 8    | Fluid Mechanics   | Theory Book with Solved Examples |
| 9    | Water Supply and Sanitary Engineering (Public Health Engineering) | Theory Book with Solved Examples |
| 10   | Design of Steel Structures  | Theory Book with Solved Examples |
| 11   | Engineering Materials (Construction Materials)                    | Theory Book with Solved Examples |
| 12   | Structural Dynamics   | Theory Book with Solved Examples |
| 13   | Construction Management (PERT-CPM)                                | Theory Book                      |
| 14   | General Science   | Theory Book                      |
| 15   | General Awareness   | Theory Book                      |
| 16   | General Knowledge of Rajasthan                                    | Theory Book                      |

| S.No | Book Title  | Book Includes      |
|------|---|--------------------|
| 17   | Theory of Structures & Structural Analysis (Structural Mechanics) | Practice Work Book |
| 18   | Engineering Hydrology   | Practice Work Book |
| 19   | Irrigation Engineering  | Practice Work Book |
| 20   | RCC Design  | Practice Work Book |
| 21   | Soil and Foundation Engineering                                   | Practice Work Book |
| 22   | Surveying   | Practice Work Book |
| 23   | Transport & Traffic Engineering (Highway & Bridges)               | Practice Work Book |
| 24   | Fluid Mechanics   | Practice Work Book |
| 25   | Water Supply and Sanitary Engineering (Public Health Engineering) | Practice Work Book |
| 26   | Design of Steel Structures  | Practice Work Book |
| 27   | Engineering Materials (Construction Materials)                    | Practice Work Book |
