

# **Beyond Hesitations: Why The India-UK Trade Deal Is An Inflection Point**

**The Comprehensive Economic and Trade Agreement (CETA) between India and the United Kingdom marks a strategic pivot that promises to redefine a historically rich yet complex relationship.**

# Moving Forward From History

## Past Shadows

**For too long, Indo-UK relations have been shadowed by echoes of a colonial past. While that history must never be forgotten, it's crucial to acknowledge evolving dynamics.**

**This agreement acknowledges India's emergence as a global economic powerhouse and the UK's post-Brexit aspiration to forge new, dynamic trade alliances.**

## Modern Partnership

**CETA transcends historical baggage, forging bonds based on mutual respect, shared values, and reciprocal economic benefit. It's a blueprint for contemporary partnership.**

# A \$112 Billion Opportunity

**\$112B**

**Bilateral Trade Target**

**Expected to nearly double by 2030**

**99%**

**Indian Exports**

**Gaining duty-free access to UK market**

**95%**

**Agricultural Products**

**Tariffs eliminated on agricultural and  
processed food exports**

**This landmark agreement is poised to create significant employment opportunities and boost India's 'Make in India' initiative whilst opening vast new avenues for British businesses.**

# What's On Offer For India

## **Market Access**

**Unprecedented access to one of the world's most sophisticated economies with 99% of exports gaining duty-free entry.**

## **Key Sectors Benefit**

**Textiles, leather goods, marine products, gems and jewellery, and engineering goods stand to gain immensely from tariff elimination.**

## **Professional Mobility**

**Easing of mobility for Indian skilled workers into 35 UK sectors for up to two years without needing a local office.**

# Benefits For Britain

## Market Access to 1.4 Billion People

The UK gains substantial access to India's burgeoning market with rapidly growing middle class and increasing disposable incomes.

- **Scotch whisky duties immediately halved, reducing to 40% over a decade**
- **Electric vehicle tariffs slashed from 110% to 10% under specified quotas**
- **Reduced tariffs on automobiles and medical devices**

# Deeper Than Just Trade

The true significance lies not just in immediate economic uptick, but in shaping a qualitatively better relationship for future generations.

## **Innovation & Research**

**Institutionalised frameworks for cooperation in cutting-edge fields like AI, clean energy, and healthcare.**

## **Defence Cooperation**

**Vision 2035 roadmap emphasises collaborations in defence and technology – a striking new development.**

## **Climate Action**

**Joint efforts in green energy and environmental sustainability addressing global challenges.**

# A Shared World For Future Generations

For young Indians and Britons, this agreement opens up a world of interconnected opportunities and enhanced prospects.

**1**

## **Economic Benefits**

**Greater variety of goods and services, potentially lower prices, increased cross-border investment and job creation.**

**2**

## **Professional Growth**

**Easier professional mobility and mutual recognition of qualifications facilitating educational and career pathways.**

**3**

## **Ethical Standards**

**Progressive chapters on labour rights, gender equality, and anti-corruption set new benchmarks for responsible globalisation.**

# An Inheritance Of Opportunities

**"For the young, this agreement is not just a trade deal; it is an inheritance of enhanced opportunities, deeper cultural understanding, and a more interconnected and prosperous world."**

**In an increasingly fragmented global landscape, the Indo-UK Trade Agreement stands as a powerful testament to international cooperation. It's an inflexion point - a turning of the page to a qualitatively better, brighter shared future.**
