**Chairman:**

Called me by my father's name, laughter in the room when I clarified  
You are from ICLS, so let's discuss law

**Q-1** (Long Monologue) There are different ancient practices and modern laws as well how do we harmonize the two

**Q-2** How do we see everything in the light of the constitution given that we are a 4000 years old civilization

**Q-3** There is an opinion from (some judge's name) that HCs should be given their own space and jurisdiction to work. There is neither hierarchy nor complete independence in the Indian Judiciary. However, there are allegations that HC judges indulge in corrupt practices. Do you think HCs should be given their own space to work

**Q-4** What is the original jurisdiction of HC (not the exact words but, this is what he wanted to ask)

**Q-5** Bar should be more qualified than the bench, reasons?

**Member 1:**

**Q-1** What was this course on women and development?

Same question repeated.

**Q-2** Why civil engineering if you had to come to civil services

**Q-3** Can you use factor of safety in civil engineering in civil services
