### **Chairman:**

We are not here to interrogate you. We are friendly people, you need not have to get scared. Let's have a friendly conversation.

**Q1.** So drkalpane tell me about your education and work experience

**Q2.** how are managing not profit clinic?

**Q3.** doctors are angels especially after corona. Then why do you want to become Babu?

**Q4.** Name any 3 financial regulators of India

**Q5.** shouldn't we merge or should we maintain status quo?

### **Member 1 (male member):**

**Q1.** What is issue about PM CARES

**Q2.** Why do have hope that govt will release the data about its utilization in near future.

**Q3.** Can medical be sued by consumer protection act? If yes, when? Don't you think suing also will increase the unnecessary diagnostic tests to be conducted for doctors defense?

### **Member 2 (male member):**

**Q1.** Why are you writing the questions asked and replying answers based on it? How does it help? Is it your style since a long time?

**Q2.** How do you think democracy is maintained in India?( I mentioned the word democracy earlier)

### **Member 3 (male member):**

**Q1.** How is agriculture in India progressing?

**Q2.** Do you think the financial regulatory bodies need to be separate as you mentioned earlier?

**Q3.** What is climate change impact on agriculture and what is to be done to mitigate it?

**Member 4 (male member):**

**Q1.** Do you tribes need to isolated or assimilated

**Q2.** Don't you think isolating certain tribes is nothing but keeping them in zoo

**Chairman sir:** your interview is over. Thank you. I am giving you blank cheque. Tell me if you have anything to share with us, if not, you may leave.
