

**Board:- Sudan ma'am - 20 to 25 mins // Date and session of the interview:- 28 April, Last to go (afternoon session) // Optional:- Law // College:- Govt Law College // Profession (if any):- 1 yr. work ex. // Hobbies:- Football, trekking**

**Chairperson:** started with monologue that it's a conversation and we can get something clarified if needed.

**Q1.** Q on undertrials - issues?

**Q2.** Recent remission of murder convict in Bihar case. My views on it?

**Q3.** Why women less in judiciary?

**Q4.** What was your experience in EY and why did you quit your job?

**Member 1 (lady member, soft spoken, but listened patiently and nodded while answering):**

**Q1.** Judicial pendency and what can be done about it?

**Q2.** Do judges deserve so many perks? What about vacations? Can something be done to reduce vacations?

**Q3.** Collegium issues?

**Q4.** ECI judgment by Supreme Court. My views? Should CJI be there in the committee?

**Member 2:**

**Q1.** Favourite football player?

**Q2.** Position I played (this Q was only asked because honourable panelist wanted to let me know he was a striker in his younger days :))

**Q3.** Can we set a hard deadline to resolve cases in courts?

**Q4.** Reforms as law secretary?

**Q5.** Why not become a judge? Why civil service?

**Member 3:**

**Q1.** view on aapla davakhana in Maharashtra

**Q2.** What is contract farming? Did the farm laws cover it?

**Q3.** Issues faced by farmers?

**Q4.** NBS subsidy regime what is it?

**Q5.** Why India moving towards international trade in rupee?

**Member 4:**

**Q1.** Education health infra security which should be prioritized?

**Q2.** Football tactic that can be used by lawyers in arguing a case?

Candidate experience in the interview- Very cordial board. Mostly DAF based. 80% of Qs revolved around law/judiciary. Qs were long and somewhat mains oriented..
