**Hon. Chairman:**

**Q1.** Introduce yourselves with respect to your education and employment.

**Q2.** There is a gap between your passing and recent employment. Did you retain your knowledge?

**Q3.** Can the doctors/healthcare service providers be sued under Consumer Protection Law? Is it appropriate to sue them?

**Member 1:**

**Q1.** What is the Medical Council of India?

**Q2.** What were its functions?

**Q3.** Why was it replaced? Were there allegations of malfeasance?

**Q4.** Did anything change after NMC replaced MCI?

**Q5.** Can Ethics be taught?

**Q6.** What are some problems with respect to the Medical registry kept by the NMC?

**Member 2:**

**Q1.** Tell me some laws related to the health sector.

**Q2.** What is surrogacy? It's importance to medical tourism in India? Why do people prefer India as a destination for surrogacy?

**Q3.** What does the Surrogacy law propose ?

**Q4.** What is rash and negligent driving?

**Q5.** Is banning liquor stores on highways effective?

**Q6.** Euthanasia. Your opinion. Which type of euthanasia is currently allowed in India?

**Q7.** Do you know Aruna Shanbagh?

**Member 3:**

**Q1.** You're from Latur? What will you do if you are the DM during an earthquake?

**Q2.** Can an earthquake be predicted?

**Q3.** We are forgetful about disasters. Once it happens we forget it for the next few decades. How to deal with that?

**Q4.** What is the difference between stillborn and neonatal death?

**Q5.** So many medical colleges and seats? What about the faculty?

**Q6.** Regarding teachers. Do teachers have to make their attendance through GPS? What's your opinion on this?

**Q7.** Where are we going as a country? Earlier we used to take attendance of children. Now we have to take attendance of teachers.

#### **Member 4:**

**Q1.** Do you know Transparency International?

**Q2.** India is ranked consistently lower in it. Is India a corrupt country?

**Q3.** Is there a conspiracy against India?

**Q4.** Regarding rash and negligent driving, is it only related to speed? Can the driving be rash even with slow speed?

**Q5.** Tell me 7 impacts of climate change.

**Q6.** You're an officer and your senior tells you to accept money to grant a contract. How will you deal with this? You're not an authority. If you complain your promotion will be stopped. Your ACR will be negative. Then what will you do?

#### **Chairman:**

1. Do you want us to ask you something?

2. Comfortable?

Your interview is over. It felt good talking to you. Thank you and all the best.
